

Solar - PV technologies and systems

Organized by

MAIA-TAQA is holding a training rollout session for Jordan during **September, October & November 2022**

The course includes the following topics:

- Introduction to solar energy.
- Solar PV technologies.
- BIPV Systems & BIPV Case studies.
- Study, Installation and O&M of PV systems.
- Solar Thermal collectors & components.
- Solar applications & Solar Design process.
- Solar Real Cases (DHW, solar cooling) Install and Commission.
- Installation and supervision of installation (General part + differentiations per Innovative Service).
- Legal framework in Jordan.

The **course** starts on the Hybrid (Online & Onsite) at Jordan Chamber of Commerce premises.

If interested, fill in the form here: <https://forms.gle/8vy4XcYcAv63EbCY7>

The training is organized by JoCC within the EU funded MAIA-TAQA project. Participation is for free.

For more information on the project please visit: [MAIA-TAQA | ENI CBC Med](#)

Date	No	Day	Time	Topic	hrs	Trainer	Training Options
24/9/2022	1	Saturday	10:00	Introduction to solar energy	2	Omar qudah	online
1/10/2022	7	Saturday	3:00 p.m.	Solar applications	3	Abeer Salem	face to face
17/9/2022	2	Saturday	between 10-2	Solar PV technologies	3	Ashraf Awwad	online
8/10/2022	5	Saturday	tbd	Study, Installation and O&M of PV systems	3	Abeer Salem	Online
22/10/2022	3	Saturday	tbd	BIPV Systems	4	Abeer Salem	face to face
22/10/2022	4	Saturday	tbd	BIPV Case studies	2	Abeer Salem	face to face
9/25/2022	6	Sunday	10:00	Solar Thermal collectors & components	3	Omar qudah	online
9/24/2022	12	Saturday	1:00	Legal framework Jordan	2	Ashraf Awwad	Online
1/10/2022	8	Saturday	10:00	Solar Design process	3	Omar qudah	Online
29/10/2022	11	Saturday	10:00	Solar Real Cases (DHW, solar cooling) Install and Commission	3	Nidal Abdalla	face to face
5/11/2022	9	Saturday	10:00	Solar Real Cases (DHW, solar cooling) Operations and maintenance	3	Nidal Abdalla	face to face
12/11/2022	10	Saturday	10:00	Installation and supervision of installation (General part + differentiations per Innovative Service) apr 26th	3	Nidal Abdalla	face to face
tbd	13	tbd	tbd	Exploring finance possibilities and framework of implementation	1	Dr Ezz	Online
tbd	13	tbd	tbd	Internationalization of business and RES	2	MR Luis	Online
tbd	14	tbd	tbd	how to compose tender documents	2	Dr Sobki	Online
tbd	15	tbd	tbd	how to carry out a feasibility study	2	Dr Saweris	Online
